What is the name of your business?

Give a brief description of the product or service you plan to sell:

What price will you charge for each item? How much will each item cost to make? (If you have a number of items for sale, please list them all).

How will you plan to advertise your business prior to the Fair?

How do you plan to pay for your start-up costs? (If your parents or an adult sponsor are assisting you with your supply costs, how do you plan to pay them back?)

At the end of the event, how will you determine if your business has been successful?
